Audry and Victor Tam

A semi-retired commercial printer, Victor Tam has dabbled in real estate all of his life. He lives in San Francisco with his wife, Audry and owns properties in Burlingame, Lancaster and Reno. When a friend of his told him about California City, his ears perked up. "I was interested in this area. It seemed like a great place."

Victor read a published report on California City about the budgets for paving and the water supply and also learned about Silver Saddle. "I took a look at Silver Saddle and really liked it." He purchased property there and visits with his family every two to three weeks. They enjoy relaxing, horseback riding, bicycling and golf.

Since purchasing at Silver Saddle, Victor has told many of his friends about it and hopes to one day build there. In the meantime he's focused on fully retiring and hopes to enjoy traveling the world with his family.
