

Shopping Made Easy

The holidays are looming ever closer, and your “to do” list is growing longer. There’s cooking, wrapping, decorating, shopping. No wonder this wonderful season is also one of the most stressful.

We have the perfect solution to help with the busy days ahead. Simply phone Constellation Spa at Silver Saddle Ranch & Club and order gift certificates for your friends and family. They’ll be delighted, and you’ll save time and money. They come attractively packaged, and you can have them delivered directly to the recipient, or to your home.

Everyone loves to be pampered. A luxurious massage, a spa pedicure or an all-day indulgence like the “Super Nova” or the “Rising Star” packages, which include a delicious spa lunch, are perfect ways to let the people on your gift list know how special they are!

Phone 760-373-0044 and order your gift certificates before the holiday rush. Credit cards accepted.
