

Get the Star Treatment

You survived the hustle bustle of the holiday season and now you need to do something just for you. Something luxurious, decadent and maybe just a little bit selfish, sound good? We've got the perfect suggestion - a day of pampering at Constellation Spa!

We encourage you to take advantage of our Star Treatment Sampler Packages.

We've packaged together our most popular treatments to help you get the most out of your visit for less.

Our **Super Nova** - *A Day of Decadence* is the ultimate all-day indulgence. You'll be pampered from head to toe, starting with a deeply relaxing Swedish massage. We'll follow that up with a nourishing body treatment, a facial, manicure, pedicure, shampoo and blow dry (or even a new hairstyle if you'd like) and top it off with a perfectly prepared spa luncheon.

Our **Rising Star Package** is a wonderful way to become acquainted with our most popular and the most recognized spa treatments. The Rising Star package treats you to a Swedish massage, natural herbal wrap and our classic Venus & Mars facial.

We also offer mini packages which allow you to sample two of our luxurious services as one treatment such as our Swedish massage and body wrap or our hand and foot massage.

Isn't it time you treated yourself? Call **760-373-0044** to schedule your appointment.
