

Enjoy Authentic Hawaiian Shave Ice

For years, Silver Saddle has offered Hawaiian Shave Ice at the Roadrunner Snack Bar, but most people forget about it until they see someone else enjoying one of the colorful treats. Now, this is not your average Snow Cone. Authentic Hawaiian Shave Ice is an incomparable taste treat!

Our shave ice machine, syrup bases and recipe were all purchased from a Hawaiian distributor. The shaved ice's finer texture and the secret syrup recipes make them unmistakable and so delicious. Ask any guest who has had one and they will tell you "The ice is so fine it is like powdered snow!" Try a Rainbow Shave Ice, a Strawberry and Lime Shave Ice, or choose the flavor or flavors of your choice. Sweet, cold and refreshing, it is the perfect treat on a hot day in the desert, or to enjoy poolside.
