

# And the Winners Are...

Our online restaurant naming contest produced a fabulous name, *The Desert Willow*, and some happy winners.

Congratulations to ***Cristana Ingram***, the lucky Grand Prize winner and now proud owner of a brand new television and VCR. ***Edwin*** and ***Sonia Ayala*** garnered the coveted First Prize, the Super Nova day spa package, a full-day indulgence at Constellation Spa. And ***Esmeralda Caldera*** is now planning ways to spend the \$100.00 Silver Saddle gift certificate she won as Second Prize.

There are also ten quick-acting members who were the first to enter the contest and who each won a dinner for two certificate at ***The Desert Willow***.

Thanks to all of our members who participated in our contest.
